each special product or service. The fee may not exceed such costs and shall be specified with each application form. The applicable fee must accompany each application; if it does not, the application will be considered incomplete for purposes of paragraph (e) of this section. Any fee paid by an insufficiently funded commercial instrument shall render any permit issued on the basis thereof null and void.

(d) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Administrator will issue a permit at any time during the fishing year to an applicant, unless the applicant has failed to submit a completed application. An application is complete when all requested forms, information, and documentation have been received. Upon receipt of an incomplete or improperly executed application, the Regional Administrator will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(e) *Expiration.* A permit expires upon the renewal date specified in the permit.

(f) *Duration.* A permit is valid until it is revoked, suspended, or modified under 15 CFR part 904, or otherwise expires, or ownership changes, or the applicant has failed to report any change in the information on the permit application to the Regional Administrator as required by paragraph (i) of this section.

(g) *Reissuance.* A dealer permit may be reissued by the Regional Administrator when requested in writing by the applicant, stating the need for reissuance and the number of the permit requested to be reissued. An application for a reissued permit is not considered a new application. An appropriate fee may be charged.

(h) *Transfer.* Permits issued under this section are not transferable or assignable. A permit is valid only for the person, or other business entity, to which it is issued.

(i) *Change in application information.* Notice of a change in the dealers name, address, or telephone number must be submitted in writing to, and received by, the Regional Administrator within

15 days of the change in information. If written notice of the change in information is not received by the Regional Administrator within 15 days, the permit is void.

(j) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(k) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(l) *Federal versus state requirements.* If a requirement of this part differs from a fisheries management measure required by state law, any dealer issued a Federal dealer permit under this part must comply with the more restrictive requirement.

(m) *Sanctions.* Permits issued or sought under this section may be suspended, revoked, or modified, by procedures governing enforcement-related permit sanctions and denials, found at subpart D of 15 CFR part 904.

(xviii) Fish for, take, catch, or harvest lobster on a fishing trip in the EEZ by a method other than traps, in excess of 100 lobsters (or parts thereof), for each lobster day-at-sea or part of a

(3) *Presumptions.* (i) Any person possessing, or landing American lobsters or parts thereof at or prior to the time when those American lobsters are landed, or are received or possessed by a dealer for the first time, is subject to all of the prohibitions specified in paragraph (c) of this section, unless the American lobsters were harvested by a vessel without a Federal limited access American lobster permit and that fishes for American lobsters exclusively in state waters; or are from a charter, head, or commercial dive vessel that possesses or possessed six or fewer American lobsters per person aboard the vessel and the lobsters are not intended for sale, trade, or barter; or are from a recreational fishing vessel.

(ii) American lobsters or parts thereof that are possessed, or landed at or prior to the time when the American lobsters are received by a dealer, or whole American lobsters that are possessed by a dealer, are presumed to have been harvested from the EEZ or by a vessel with a Federal limited access American lobster permit. A preponderance of all submitted evidence that such American lobsters were harvested by a vessel without a Federal limited access American lobster permit and fishing exclusively for American lobsters in state or foreign waters will be sufficient to rebut this presumption.

(iii) The possession of egg-bearing female American lobsters, V-notched female American lobsters, American lobsters that are smaller than the minimum size set forth in § 697.20(b), or lobster parts, possessed at or prior to the time when the aforementioned lobsters or parts are received by a dealer, will be *prima facie* evidence that such American lobsters or parts were taken or imported in violation of these regulations. A preponderance of all submitted evidence that such American lobsters were harvested by a vessel not holding a permit under this part and fishing exclusively within state or foreign waters will be sufficient to rebut the presumption.

(d) *Atlantic sturgeon fishery.* In addition to the prohibitions set forth in § 600.725, it is unlawful for any person to do any of the following:

§ 697.8 Vessel identification.

(a) *Vessel name and official number.* Each fishing vessel issued a limited access American lobster permit and over 25 ft (7.6 m) in registered length must:

(1) Have affixed permanently its name on the port and starboard sides of the bow and, if possible, on its stern.

(2) Have its official number displayed on the port and starboard sides of the deckhouse or hull, and on an appropriate weather deck so as to be clearly visible from enforcement vessels and aircraft. The official number is the USCG documentation number or the vessel's state registration number for vessels not required to be documented under title 46 U.S.C.

(b) *Numerals.* Except as provided in paragraph (d) of this section, each fishing vessel issued a limited access American lobster permit must display its official number in block arabic numerals in contrasting color at least 18 inches (45.7 cm) in height for fishing vessels over 65 ft (19.8 m) in registered length, and at least 10 inches (25.4 cm) in height for all other vessels over 25 ft (7.6 m) in registered length. The registered length of a vessel, for purposes of this section, is that registered length set forth in USCG or state records.

(c) *Duties of owner.* The owner of each vessel issued a limited access American lobster permit shall ensure that—

(1) The vessel's name and official number are kept clearly legible and in good repair.

(2) No part of the vessel, its rigging, its fishing gear, or any other object obstructs the view of the official number from any enforcement vessel or aircraft.

(d) *Non-permanent marking.* Vessels over 25 ft (7.6 m) in registered length, fishing in the EEZ and carrying recreational fishing parties on a per capita basis or by charter must use markings that meet the above requirements, except for the requirement that they be affixed permanently to the vessel. The non-permanent markings must be displayed in conformity with the aforementioned requirements.

§ 697.9 Facilitation of enforcement.

(a) *General.* See § 600.504 of this chapter.

(b) *Radio hails.* Permit holders, while underway, must be alert for communication conveying enforcement instructions and immediately answer via VHF-FM radio, channel 16, when hailed
